Creativity is so delicate a flower that praise tends to make it bloom, while discouragement often nips it in the bud. Any of us will put out more and better ideas if our efforts are appreciated.

ARTIST SPOTLIGHT
Tony Reeder - Photographer

One of this month's featured artists is Tony Reeder. Tony joined the London Visual Arts Guild in 2011 and has complimented our organization with his ambitious approach to volunteering and getting things done. A talented photographer, he has been able to capture the beauty of a simple flower in contrast to unique angles in landscape photography. Tony likes the element of surprise so you will just have to come see his show for a real treat!

Liz Amling - fine art
