**THE LONDON VISUAL ARTS GUILD MEET THE FOURTH TUESDAY OF EVERY MONTH AT 7PM**

LVAG President  
 Tony Reeder

The history of the London Visual Arts Guild is not a long one, we are still a young group. The Gallery on High opened its first show in September 2008. Studio 7 didn't come on line for another year or so. Much work had to be done to clean up the mess and get both spaces ready for use. Countless hours of demolition, cleaning, painting, sanding, and other work went into making our space what it is today. Had it not been for the dedica-

tion of those with a vision we would not have such a wonderful place to work, gather together, and display our art. Much work is still going on as we grow from infancy into adolescence but we have come a long way in the past five years. Our little group which started with 8 or 9 founding members has grown considerably. We finished 2012 with 49 members and 21 friends of the arts. Our small gallery in the small town of London had nearly 1150 visits on the books last year and there were around 150 students who took advantage of class offerings at Studio 7. We were involved in the Art Walk, had a float in the Independence Day parade, greeted visitors to downtown for an Old Fashioned Christmas, and held our annual Silent Auction. We had a member's picnic and a member's Christmas potluck dinner. The variety of work in the gallery shows is impressive and our members work in an ever expanding number of mediums. As we continue to move forward we owe a great debt of gratitude to our past. It is because of the vision of Steve Rodgers, pastor of the First United Methodist Church, the generosity of the Minner family, the insight of Visions of Hope, and the hard work of church members and founding artists we are blessed with GoH and Studio 7. Though many of our members, myself included, were not here at the start we should always remember the sacrifices of time, energy, and money which were necessary in order for us to enjoy the benefits we have today. As we continue to grow we will continue to define our own mission and find those areas where we can best benefit the community around us. We will look for ways to make a difference and make Madison County a richer, more vibrant place to live and work. The great part is along the way we get to enjoy our artwork and show it off, enjoy the camaraderie of fellow artists, and enjoy the feeling of giving something back to our community. Life is a journey not a destination and we are blessed as artists to choose how colorful we want our journey to be.

## REPURPOSED ART MEMBER'S SHOW

Take your trash and create beautiful works of art! That is what we are asking the London Visual Arts Guild members to do for our June member's exhibit. If you have questions, contact our Exhibition Chairperson Sandy Fox 937-207-7400.

## FACE PAINTING WORKSHOP SOON TO BE OFFERED

The London Visual Arts Guild is typically asked to paint the faces of children (sometimes a few adults too!) at community events. Many members feel a lack of confidence in this area so we are offering a workshop on how to go about creating art on faces. If you think this is something you would be interested in call President Tony Reeder 740-248-6161.

## PROJECT JERICHO

"The mission of Project Jericho is to assist young men and women in the community to become confident, poised and positive adults." We are in the process of looking for ways to bring this type of project to our community with the focus being on the visual as well as performing arts. If you would like to learn more about this project visit: <http://www.clarkstatefoundation.org/project-jericho.html>.

## HONORING OUR MILITARY HEROS

July 4th a time we think of fireworks, picnics, and parades! The celebration of our freedom is a truly special event. This year LVAG will be honoring the military, those who gave their life, fought the wars, and are serving now. Any mementos from those who served will be treated with respect as it is shown in our gallery. Letters can be scanned, along with photographs to ensure these precious items would not be lost. Everyone knows someone that served and it doesn't just mean in Ohio. They all fought for our country. Another interesting fact is that animals played an important part of the military.

Pigeons, burrows, horses and dogs are also heros. Let's do our part and salute the men, women and those animals that helped keep America free. Any information regarding your military hero can be sent to Linda Horvat Bradley, [snotnosnaps@yahoo.com](mailto:snotnosnaps@yahoo.com). My goal is to have small American flags covering the London court house.
