

Policy: Rental of Studio 7 Space to Groups and Individuals

From time-to-time London Visual Arts Guild (LVAG) receives requests from groups and individuals asking to rent their workspace. The Board of Directors of LVAG has decided that they will make this space available and charge a modest fee for its utilization. The records of this decision and the established fees are included in the LVAG Board of Directors minutes (date: 8/18/2015). The following are guidelines established by the Board:

- LVAG will consider each request individually.
- LVAG reserves the right to deny the use of their space for any purpose or for the presentation of any content the Board of Directors deems offensive.
- LVAG, as a chartered not-for-profit corporation will not discriminate against any group or individual based upon race, sex, sexual orientation, age, religion or national origin.
- In accordance with laws governing not-for-profit charitable organizations, LVAG will not endorse or support in any way, individuals or organizations utilizing LVAG facilities for any purpose outside of LVAG's stated mission; ie: to support and encourage the visual arts in London, OH and the neighboring communities.
- LVAG may decide, but is not obligated in any way, to endorse and support any individual or organization utilizing their space for a visual arts related purpose.
